

## Message from the General Manager

Welcome to the 2016/2017 season! You have seen many of the projects worked on over the summer – we were busy! In July, the ladies' card room opened with great excitement while behind-the-scenes, we finished a long needed air-conditioning project over the Grand Dining Room. Most recently, the club entrance was remodeled in Floridian shades of blue, aqua, grey and accents of silver. A concierge desk was added along with a catering office, business center and most notably, our exceptional Birds of Wycliffe display wall. The Club provides a natural habitat for a multitude of indigenous bird species and was recognized and accredited by Audubon international.

The Grille Dining Room was refurbished with fresh paint, new carpet, lighting, tile, furnishings and built-in chef station. Outdoors, tennis has new fencing, swanky patio furniture and a lounge TV over the beverage station. Bocce has become very popular with POD leagues formed and is in rare form. The pool area has taken on a resort style look with brightly colored lounge seating, umbrellas and cabanas giving the area a fresh and inviting vibe. Golf is on par-- the West Course has been re-grassed and is now in play condition as we head into the full "swing" of December. Other property improvements such as cart path repair, interior LED lighting updates, modification of the concrete curb from the golf shop and pool surface repairs are complete.

This summer wouldn't be complete without mentioning that Wycliffe Golf & Country Club was awarded the prestigious Distinguished Gold Club of the World award, as determined by the annual Distinguished Clubs of the World award program conducted by BoardRoom magazine, one of the most respected trade publications serving private clubs. Such a great honor and recognition for us!

As we head into my second season, I am very proud of the energy, drive and enthusiasm demonstrated by your professional team as they strive to make Wycliffe the best it can be. We understand that we need to continually provide our current and future members with exceptional amenities, robust social programming, superior service and a physical property that will leverage Wycliffe as the first and best choice for all. I recognize that our work has just begun. On behalf of the entire team, we are dedicated to constant improvement and enhancing the value of your club experience every day.

Happiest Holiday Season!
