

WYCLIFFE

GOLF & COUNTRY CLUB

Summer is the time for relaxation, refreshment and recharging your batteries—same goes for Wycliffe Golf & Country Club. We are recharging our batteries with exciting new happenings over the next few months in preparation for next season. Our summer “camp” projects include: adding a new regulation size Bocce court; complete remodel of the lobby, ladies’ card room and the Grille; and re-grassing of the West course. These upgrades plus a few other projects are a robust to-do list and will have a long lasting impact on the wonderful lifestyle at Wycliffe.

A recent visit with Keith Jarrett, President of BoardRoom Magazine was an exceptional day for our Club. Keith met with key department leaders and was very impressed with the warmth and hospitality of our staff and the members. I am very proud of the work our managers have done to align our team with our mission and operating goals. We continue to refine and elevate our service standards through focus on member satisfaction--it is our goal to have the best trained and most caring team of any club in our competitive set.

Our future success is dependent upon supporting the culture, kindness and passion for excellence that was evident during the BoardRoom Magazine visit. This is a distinct advantage our Club holds over so many others in South Florida. I hope to announce our designation as a Distinguished Club by Boardroom Magazine later this summer.

The Board’s, Committees’ and Department Managers’ dedication and commitment carries a lofty work load and I am grateful for their accomplishments—there is much at stake as we focus on the goals outlined in the strategic plan over the upcoming months and years. I encourage all members to continue communicating critical feedback to our managers for assuring the best possible results. Please encourage one another to be ambassadors of good will toward the Club and strive for lasting improvements that will successfully position the Club for the future.

I wish all of you a safe travel season and enjoy your summer. Don’t forget to write and send a postcard.

See you soon!

Darrell Wilde
General Manager/COO
